

LETTER of GRATITUDE

proudly presented to

Madhu Champaklal Charitable Trust
Ahmedabad

Greetings from The Akshaya Patra Foundation,

It has been quite a year for the Foundation. We reached the milestone of serving 2.2 million children in government and government-aided schools every day. We served over 481 million meals and in our effort to reach out to more children we started six new kitchens in FY23-24.

All that we have done is only possible because of the contribution and support from people like you.

We hope that our partnership will get stronger as we strive together towards our common cause. We at the Foundation, on behalf of 2.2 million beneficiary children, acknowledge the contribution you have made to support our endeavour.

We would like to express our gratitude for your kindness and generosity.

Thank you

Shridhar Venkat
